

Questions for Lecture 13

While repeating *Chapter 3, 4, 8, and 9* of [HRSW], ask yourself:

- What is the the main result for you? Why?
- What was most surprising for you?
- What was most challenging for you?
- What was best/most fun?
- Try to draw a picture that describes your personal picture of the content for the second part of the lecture and connect it to the first part based on [G].
